## FROM THE PASTOR'S PEN

A friend of mine told me this story of an incident that happened to her.

She was not having a good day. She was running late, the car had a flat tire and she had not even had her morning coffee. After she had made a few calls and the flat had been fixed, it seemed things were on a better path. It was nearly noon and she decided to treat herself to lunch at a favorite spot.

Wouldn't you know it. There was a filthy, old man in ragged clothes asking for hand-outs right near where she had parked. Her initial reaction was much like many of us - I'll just ignore him. But...something, or someone, changed her mind and she asked if he was okay. He said he was very hungry, having not eaten in two days and would she please help. Having little money with her, she tried to explain that she could not afford to feed them both. Rather than being angry, the man thanked her for her time and said he understood.

She went inside, ordered her lunch and took it straight out to the man. As this was happening, her cell phone rang. It was a friend inviting her to lunch.

Peace & Grace,  
Brother Paul

**LENTEN WORLD HUNGER OFFERING**

Your support and commitment help alleviate the suffering caused by hunger in our world by assisting in many programs such as the Society of St. Andrew which gleans fruit and vegetables that would be discarded and ships them to food banks and soup kitchens to help feed America's hungry. Without your Lenten Offering, there would be many, many more people going without food each day. Thank you for helping!

**UMW NEWS**

In January 2013, United Methodist Women joined more than 40 national faith groups in signing an ecumenical letter to both houses of Congress asking for common sense legislation to reduce gun violence. Some actions called for are: criminal background checks on every person seeking to buy a gun; ban civilian access to high-capacity weapons and ammunition magazines and make gun trafficking a federal crime. "There is a balance between supporting the 2nd Amendment's 'right to bear arms' and the nature of possession, sale and proliferation of guns in our society," said Julia Taylor, UMW's national executive for children, youth and family advocacy. "United Methodist Women has joined this effort because we share concerns, especially since women and children are frequently the victims of such violence."

**STORY-TELLING IS IMPORTANT PART OF CHILDHOOD**

The Miriam Child Care facility at UM Neighborhood Centers is asking for story-tellers (readers). For about 30 minutes 1, 2 or 3 days a week you can transport a child from the every day world to a world of excitement, pleasure, beauty and lesson learning through story books. Please contact Sharon Cornelius at [ssc0113@bellsouth.net](mailto:ssc0113@bellsouth.net) or call 323-4995 for all the details.

**Articles of Religion of the Methodist Church**

Article XIX Of Both Kinds  
The cup of the Lord is not to be denied to the lay people; for both the parts of the Lord's Supper, by Christ's ordinance and commandment, ought to be administered to all Christians alike.  
Article XX Of the Oblation of Christ,  
Finished on the Cross

The offering of Christ, once made, is that perfect redemption, propitiation, and satisfaction for all the sins of the whole world, both original and actual; and there is none other satisfaction for sin but that alone. Wherefore the sacrifice of masses, in the which is commonly said that the priest doth offer Christ for the quick and the dead, to have remission of pain or guilt, is a blasphemous fable and dangerous deceit.

Article XXI Of the Marriage of Ministers  
The ministers of Christ are not commanded by God's law either to vow the estate of single life, or to abstain from marriage; therefore it is lawful for them, as for all other Christians, to marry at their own discretion, as they shall judge the same to serve best to godliness.

The Articles of Religion are reprinted from the Discipline of 1808
