**FROM THE PASTOR'S PEN**

As Luke tells us, "Give and it will be given unto you...

...a good measure...will be put in your lap."

Have you considered how far-reaching your gifts to the church can be? For some, they could be the difference between life and death. Certainly the difference between hopelessness and seeing a light at the end of the tunnel.

Have you given any thought to how that shirt or blouse you gave may have affected the life of the one who now wears it? It may have been worn to a interview that led to a job to support self and family. It could have been worn to church for worship and fellowship with others in Christian love. And what about the cans of fruits and vegetables that went to a food pantry? They could have helped nourish a starving child or kept an elderly person from going to bed hungry.

The United Methodist Church is involved locally and around the world in education, emergency assistance, environmental issues, preventing hunger and poverty, teaching good health practices, assisting immigrants and refugees, aiding missionaries, seeking peace and justice, and so much more, serving all who have a need. Your gifts help make that possible. Thank you and keep on "making disciples of Jesus Christ".

Peace and Grace,  
Brother Paul

## THANK YOU NOTES

Aldersgate Family,  
Thank you for all the thoughts, prayers and gifts during these hard times. With the loss of my Mom being so sudden, its comforting to know how much care and support has come from my Aldersgate family. Many thanks go to all of you. She was looking forward to spending the summer in Memphis and at Aldersgate. Again, thanks for your love and kindness.

Friends in Christ,  
Miki Craft

## CAMP ALDERSGATE THANKS YOU

It was a great weekend thanks to all who assisted with Camp Aldersgate. We renewed our bodies and spirits with prayer and study, food and fun and helped fill the shelves at the Food Pantry. As always, your generous spirits and helping hands made it all possible. Thank you.

### CREATION CARE The Trillionth Can

From 1972 to 2003, we threw away over one trillion aluminum cans. That's enough to reach around the earth 3048 times equaling 75,899,772 miles worth of cans that could have been recycled. We can do better, for ourselves and our descendants. Encourage everyone you know to recycle everything they can!

## THOUGHT FOR THE WEEK

Don't wait for the world to give you peace-  
give your peace to the world.

## UMW NEWS

The Koinonia Group will meet on Tuesday, June 12, at 10 a.m. at the church. Visitors welcome!

## ABOUT WEDNESDAY NIGHTS
