UMW NEWS

Do you know that United Methodist Women are engaged in mission on a daily basis? Your faith, prayers and support are resulting in action on behalf of and with women, children and youth. Healthy living, gun violence, human trafficking, equal pay and voting rights are but a few of the issues being addressed.

Ninety seven (97) mission institutions in the U.S. alone are supported by UMW mission giving. With your help and that of UM Women everywhere, these agencies are empowering women, caring for children, educating youth, looking after the neglected, advocating for social justice, creating economic opportunities and changing lives.

DISCIPLINE FOR DISCIPLES

**Articles of Faith of the
 Evangelical United Brethren Church**

Article XII—The Judgment and the Future State
 We believe all men stand under the righteous judgment of Jesus Christ, both now and in the last day. We believe in the resurrection of the dead; the righteous to life eternal and the wicked to endless condemnation.

Article XIII—Public Worship

We believe public worship is the duty and privilege of man who, in the presence of God, bows in adoration, humility and dedication. We believe divine worship is essential to the life of the Church, and that the assembling of the people of God for such worship is necessary to Christian fellowship and spiritual growth.

We believe the order of public worship need not be the same in all places but may be modified by the Church according to circumstances and the needs of men. It should be in a language and form understood by the people, consistent with the Holy Scriptures to the edification of all, and in accordance with the order and Discipline of the Church.

FROM THE PASTOR'S PEN

Frances Ridley Havergal asked, "Doesn't it stand to reason that whatever seems to block our way may also provide for our protection?" It may be that some things in life that frustrate and prevent us from fulfilling our dreams are actually placed there by God for a reason. Could it be that some mountains are not meant to be moved? Some doors are not meant to be pried open? We may feel that they hem us in, but perhaps they are there to help us stay on the path to God's will for our lives.

Peace and Grace,
Brother Paul
