## FROM THE PASTOR'S PEN

Robert Fulghum tells how he was looking out his study window one fall day as a group of neighborhood children were playing hide-and-seek. He watched as one child burrowed under a pile of leaves just below his window. He was so well-hidden; his playmates weren't able to find him. Perceiving that the boy's playmates were giving up on finding him, and were about to leave, Fulghum leaned out his window and yelled: "Get, found, kid!"

We never have to worry about that sort of thing with God.

Peace and Grace,  
Brother Paul

## CELEBRATE WITH PAUL & BARBARA

You are invited to a catered dinner on June 22 after worship, to say your good-byes to Brother Paul & Barbara. This will be a special celebration of their time and service with us, as we send them on to see what God has in store for them. There is no charge for dinner but reservations are required. Please call or email the church office, 683-8861, [office@agumc.org](mailto:office@agumc.org), or sign up on the office window.

## MANY THANKS

...to all who helped in any way with Camp Aldersgate this past weekend. With about 30 children and a dozen adults, we made the rafters ring with joy and praise. That was followed by a special song at the worship service on Sunday and the cookout saw every tummy filled. Without our 'helpers' we never could have done it! Thank you and thank you again!

## OKAY! NOW ITS URGENT

Greeters are still needed for the months of July and September. You may sign up on the office window for the month you prefer or call the church office. Please do so ASAP. Thanks!

## UMW NEWS Book Review

*Trusting in God When I Don't Understand, Why Doesn't God Care? and Why Does God Let Bad Things Happen?* are just a few of the chapters in "Why", by Anne Graham Lott. She tries to answer some of the most often asked questions by relating Mary & Martha's questions to Jesus when he took his time coming at the news of Lazarus's illness and death.

Have you checked the UMW Reading List lately? Educate yourself, lift your spiritual side or just get lost in a far-away tale. There are many offerings in the church library.

## 'HEALTHY SHELBY' 5K & 1 MILE WALK

### PRESENTED BY MAYOR MARK H. LUTTRELL

This year's walk on Saturday, June 28, at Shelby Farms Park, is to raise awareness about hypertension, one of the most commonly seen conditions in primary care and surprisingly, many children have it. Hypertension is dangerous because it is commonly not felt and can lead to heart attack, stroke, kidney failure and death, if not treated. If you would like more information or to partner in this event, please contact Jenna Stonecipher at [jenna.stonecipher@shelbycountyn.gov](mailto:jenna.stonecipher@shelbycountyn.gov) or call her at 901-222-2013.
